COMPANY OVERVIEW

LEPCO Solutions Group, LLC (LEPCO) is an assessment-led law enforcement, security, and preparedness firm specializing in **independent operational readiness assessments, capability evaluations, HSEEP-compliant exercises, and institutional capacity-building**. Since 2022, LEPCO has supported U.S. Government programs in Somalia and Jordan, translating field observations into measurable improvement, targeted training, and sustainable systems.

CORE CAPABILITIES

Independent Assessment & Program Evaluation

- Operational readiness & capability assessments
- Training Needs Assessments (TNAs) & capability gap analysis
- Independent program evaluation, metrics, AARs & improvement planning

Exercises & Readiness Validation

- HSEEP-compliant tabletop, functional & full-scale exercises
- Exercise design, control/evaluation, field validation & readiness measurement

Institutional Capacity Building

- Curriculum architecture, instructor systems & sustainment planning
- Law enforcement mentoring, advisory & embedded SME support

Border Security & Counter-Threat Support

- Port-of-entry and border operations assessments
- Behavioral analysis, advanced secondary inspection, contraband/drone detection
- Counterterrorism, counternarcotics, financial crimes & AML/CTF advisory

WHY CHOOSE LEPCO

- **Independent & Objective** - Assessment-first methodology designed to produce candid, actionable findings.
- **Documented Federal Delivery** - Real OCONUS performance supporting DOS/CT Bureau and DOJ ICITAP objectives.
- **Operationally Experienced SMEs** - Former federal law enforcement, military, intelligence, diplomatic security, and international advisors.
- **End-to-End Capability** - Assess -> validate -> build -> sustain, with one accountable technical team.
- **Rapid, Scalable Deployment** - Distributed U.S. workforce able to support domestic and international requirements.
- **Prime-Ready SDVOSB** - FAR-aware execution for set-asides, task orders, subcontracts, and discrete mission requirements.
- **CEO-Led Accountability** - Senior leadership involvement from capture and planning through delivery and closeout.

WHY IT MATTERS TO THE CUSTOMER

- **Candid Findings** - Independent observations tied to evidence, not predetermined conclusions.
- **Actionable Priorities** - Gaps are translated into practical corrective actions, training, and measurable next steps.
- **Sustainable Results** - Recommendations are made to strengthen host-nation ownership, governance, and long-term capability.

LEPCO measures what organizations can actually do - then builds the systems needed to improve and sustain performance.
